

May 11, 2020

The board meeting was called to order at 7:00 p.m via a conference call by President Brett Trepanier. All board members called in. Our scheduled BLA meeting held at Grant Township Hall was canceled due to Covid-19.

FUTURE MEETINGS: It was decided to cancel June's meeting and potluck. The board will plan on another conference call in June. We will plan month by month depending on the Governor's guidelines.

ELECTION of OFFICERS: Depending on when we can have a general meeting, at the first one we will make nominations and vote at the next. Roger Selvig, Sharon Dulak, and Linda Smith are up for election. Linda declined from being put on the ballot for this election. Anyone who is interested in being put on the ballot should let

the board know. Sharon submitted Dr. Roger Bergstedt as a candidate. A motion was made for the board members to keep their current positions until an election can take place. The motion was seconded and passed.

BANQUET: The Black Lake Golf Course is open but the restaurant is not. A motion was made to cancel the banquet. It was seconded and passed.

DNR: The DNR will not be raising walleye or planting any fingerlings this year. They also canceled their scheduled visit to our September meeting.

RAINEY RIVER: No violations, no tickets were given.

NEW BUSINESS: Sharon and Ron Dulak ordered the decals & envelopes. Linda Smith suggested a fund raiser: selling gator-like

neckwear called the " Boni". It is made of antimicrobial material, same as hospital sheets & uniforms. They will be used as face masks, and also will serve as sun protection for fishing , boating, golfing, etc. It will have our BLA emblem. Linda is still working on the design and will share a mock-up with the board.

Respectfully Submitted,

Linda Smith, secretary
