

Black Lake Association

Minutes of Board Meeting

Sept. 11, 2023

Present	Brett Trepanier, Sharon Dulak, Ron Dulak, Erin McLean, David Turzewski,
Absent	Roger Bergstedt, John Roby, Roger Selvig, Cindy Trepanier
Call to Order	Brett Trepanier, president, called the meeting to order at 7:01 p.m. at the Grant Township Hall. In addition to the Board, 15 people were present. The Pledge of Allegiance was recited.
Rules of Meeting	Questions and input were solicited for each report. Additional comments and questions were solicited at the end of the meeting.
Secretary's and Treasurer's Reports	Reading of the minutes from August 14, 2023 accepted with minor revisions. Treasurer's report approved as read subject to audit.
Reports/Updates	
Membership	All but 3 beach rep reports are in. There are 480 member families.
Fish	Erin reported that fish shocking should begin within the next few weeks. Muskie stocking should start in October.
Shoreline Survey	The Shoreline Survey has been completed. The resulting pictures provide great detail. Brian Nadeau suggested that information be provided to new residents about septic system maintenance. Dave suggested that such an article be included in the 2024 newsletter.
Water Quality Monitoring	Roger Bergstedt has received all the ordered equipment.
Buoys	The buoys will remain as long as possible.
Banquet	Connie Nadjarian suggested possibly holding an event at the new pavilion next year instead of the banquet. It would be held after the new playground equipment is installed, maybe moving the event to August. A committee was formed to plan it. She requested permission to order sweatshirts with the association logo. An on-line board meeting will work out details. She also has BLA items for sale, t-shirts, mugs, caps, license plates, for \$10.00 each.
Township Updates	Bearinger: N. Allis: Grant: Big dump day is 9/15 and 9/16 Waverly
Other	Other business discussed was the playground equipment. The equipment company will not provide an installer. Therefore, volunteers must install the equipment. Further information about shoreline erosion and the drone survey may be found in the Black Lake Association Spring Newsletter 2023 on the BLA website.
Next Meeting	Oct. 9, 7 p.m.
Adjournment	Meeting adjourned, 7:55 p.m.
